

EXCLUSIVE MEMBER OPPORTUNITY

COMMUNITY SERVICES MENTORSHIP PROGRAM INFORMATION & TRAINING

- 12 month program • fully supported • networking events • free for members •

Community Industry Group mentoring program based on best practice principles. Featuring tools to guide a safe and effective mentoring program for individuals, teams or organisations.

Mentoring is not a new concept, often occurring spontaneously as informal relationships. In recent years, as growing numbers of people have recognised the power of mentoring, more community organisations, businesses and governments are launching formal mentoring initiatives. The Community Industry Group program has been designed specifically for the community services sector.

Features:

- A half day training session for prospective Mentors and Mentees.
- Mentor and Mentee matching through a questionnaire and evaluation process.
- Support throughout the twelve month mentoring relationship.
- No cost to participate if you are a member.
- Graduation and networking events.
