Warilla Education & Care Service is a community owned, not for profit Preschool and Occasional Care Centre, managed by ECTARC on behalf of the Illawarra Women's Health Service. Warilla Education & Care Service provides families with the flexibility to leave their children in an education and care environment on days and hours that best meet their needs. Many families use Occasional Care at short notice and for immediate emergency care. Occasional Care fees are charged per hour and reflect the amount of time a child spends in care. Warilla Education & Care Service also provides permanent bookings to families.

We provide:

- Occasional Care, minimum booking 1 hour. Regular positions also available.
- Teacher Qualified and Highly trained educators who focus on building attachment relationships with children and their families.
- Positive Partnerships Program we have an Occupational Therapist, Psychologist and Child Practitioner that works Part-Time to support children, families & educators.
- Excellent child to educator ratios
- Newly refurbished indoor and outdoor play spaces
- Educational and fun learning environment supported by The Early Years Learning Framework
- School Readiness and Transition to School Program
- Educational Programs including Munch & Move, Let's Read, Let's Count, Abecedarian, Paint Shellharbour Read, Sing & Grow, PALS Play and Learn to Socialise, and PRSIST Self-Regulation and more!
