WE NEED YOUR HELP TO PUT ON A MAGICAL NIGHT OF THANKS FOR COMMUNITY SERVICE WORKERS

Community Industry Group will be hosting a community service awards ceremony on Friday 4 June 2021, from 6pm at the Novotel Wollongong Northbeach, at a gala dinner full of magic, music and lots of amazing stories.

The last 18 months have been extremely difficult for not for profit community service providers in the Illawarra and Southern NSW. While many sectors have been shutting down, need and demand for community services have been ramping up. Our members have continued to offer services in the face of drought, fire, flood and a pandemic.

Community Industry Group want to highlight and celebrate the resilience and ingenuity of our not for profit members and to reward outstanding contributions. We want to recognise that in our sector We Do Magic and we want everyone else to know too.

The night will be a recognition of everyone, but we plan to highlight some of the outstanding efforts made by our members who are all not for profit organisations. We will be celebrating our community service magicians (from sole-worker operations to large multi-site providers) who have come up with brilliant ideas, terrific team efforts, collaborations and connections, transformations and reinventions and those who have gone above and beyond for their communities.

We are looking for organisations and businesses who want to add their own thanks and recognition to our community service providers who are always there when things get tough!

Your support will help us put on a magical night of sparkling inspiration and celebration. It will help us cover the cost of our finalists attending so they can be recognised and rewarded in person at our gala awards ceremony.

Community Industry Group is the peak body for community service organisations in the Illawarra and Southern NSW. For more information about us or the great work our members do please call our office on 02 4256 4333 or visit www.communityindustrygroup.org.au.
